**PETITION FOR FILING A CORRECTED DECLARATION
BY OTHER THAN ALL THE INVENTORS**

Sir:

Ian Robert McMillan, Andrew Sjaak Landa, Stephen Anthony Makin and Paula Ann Johnson are the inventors of the record in the subject application. It has been determined that Harry Saul Winchell (deceased) should be included as a co-inventor. This Petition is being filed together with a request to correct inventorship to add Harry Saul Winchell as a co-inventor. Three of the four inventors originally named in the subject application, i.e., Ian Robert McMillan, Andrew Sjaak Landa, and Stephen Anthony Makin, have executed a supplemental declaration that adds Harry Saul Winchell as a co-inventor; the supplemental declaration has also been executed on behalf of Harry Saul Winchell by his co-executrixes Bryna Winchell Ross and Bari Winchell. As detailed in the accompanying Statement, after diligent effort, Unilever has either been unable to reach Paula Ann Johnson and/or Paula Ann Johnson is refusing to sign a supplemental declaration for the subject application.

Ian Robert McMillan, Andrew Sjaak Landa, Stephen Anthony Makin, and Harry Saul Winchell (by his co-executrixes Bryna Winchell Ross and Bari Winchell) request, through the attorney of record, Karen Klumas, that a corrected declaration adding Harry Saul Winchell as a co-inventor be entered, and that the above application be made by such inventors on behalf of themselves and Paula Ann Johnson, the non-signing inventor.

To avoid irreparable damage by incorrect naming of the inventors, the grant of this petition for filing by other than all the inventors is respectfully requested.

As described in the accompanying Statement, a corrected declaration for the subject application, complying with the requirements of 37 C.F.R. § 1.63 was sent to Paula Ann Johnson at her last known address:

15 Hornby Avenue,
Bromborough, Wirral, United Kingdom, CH662 ATQ

Other attempts to contact Ms. Johnson are described in the accompanying Statement and supporting evidence.

The accompanying transmittal authorizes the charging of the fee due under 37 C.F.R. 1.17(g) for the filing of this petition to Deposit Account 12-1155.

Respectfully submitted,

**STATEMENT OF FACTS IN SUPPORT OF THE FILING OF A SUPPLEMENTAL
DECLARATION ON BEHALF OF A NONSIGNING INVENTOR**

Sir:

The following is a summary of the facts in support of this filing and attached evidence in support thereof:

1. The subject application (along with US Serial No. 11/103,284, US Serial No. 10/895,179; US Serial No. 10/198,435; US Pat. No. 6,793,914; US 6,893,630; and US Pat. No. 6,503,490) were the subject of an arbitration proceeding at the London Court of International Arbitration (Unilever U.K. Central Resources, Ltd. et al. v. IRC, Israel Resources Corporation et al.). Entitlement to such applications/patents were among the issues that were the subject of the arbitration. As a result of the arbitration, it was determined that Harry Saul Winchell (deceased) was a co-inventor of the referenced patents and applications and should be named as such. Unilever has acquired the entirety of the interest arising out of Harry Saul Winchell's co-invention of such applications and patents and is seeking to have Harry Saul Winchell named as a co-inventor in same.

2. Paula Ann Johnson, Ian Robert McMillan, Andrew Sjaak Landa, and Stephen Anthony Makin, all whom are citizens of the United Kingdom, were the inventors originally named in the subject application. A Supplemental Declaration that adds Harry Saul Winchell as a co-inventor has been executed by Ian Robert McMillan, Andrew Sjaak Landa, Stephen Anthony Makin and, on behalf of the deceased Harry Saul Winchell, by his co-executrixes Bryna Winchell Ross and Bari Winchell. (copies attached as Appendix A). After diligent effort, Unilever has not been able to obtain execution of the Supplemental Declaration by Paula Ann Johnson (who is also referred to in this Statement as Paula Johnson or Paula), who is no longer employed by Unilever.

3. In connection with Unilever's efforts to obtain execution of the Supplemental Declaration by Paula Ann Johnson, the undersigned requested her contact information from Dr. Christopher Whaley, the Registered European Patent Agent who prepared the UK application from which the instant application claims priority, and a member of the Unilever Patent Department in the United Kingdom.

4. The undersigned was advised by Dr. Whaley that the address that the Unilever Patent Group had on file for Paula Ann Johnson was the following: 15 Hornby Avenue, Bromborough, Wirral, United Kingdom, CH662 ATQ. Dr. Whaley also advised that in his efforts to confirm same, he came to understand that Paula Ann Johnson had moved and that this was no longer her address. The undersigned understood that Dr. Whaley based this information on conversations and/or correspondence with other Unilever employees, including Unilever's Susan Pye. See copies of the e-mail correspondence between Dr. Whaley and Susan Pye attached as Appendix B.

5. On September 30, 2009, a new address for Paula Ann Johnson failing to have been confirmed, a Supplemental Declaration for the subject application complying with the requirements of 37.C.F.R §§1.63 and 1.67, and including Harry Saul Winchell as a co-inventor, was sent to Paula Ann Johnson at the 15 Hornby Street address referenced above (her last known address) via International Registered Mail. Among the documents accompanying the Supplemental Declaration was a letter of explanation including the request that Paula sign and return the Supplemental Declaration to the undersigned. Copies of the letter, the mailing receipt and tracking receipt for same, and the Supplemental Declaration are provided as Appendix C.

6. Efforts to confirm Paula Johnson's address continued. Jayne Sloane, secretary to Dr. Whaley, located one Rachael Collins, a Unilever employee in the

United Kingdom who is believed to be a relation of Paula Johnson's. The undersigned was advised by Ms. Sloane that Rachel Collins confirmed that Paula Johnson has moved from the 15 Hornby Street address, but that she (Ms. Sloane) was not been able to obtain contact information for Paula Johnson from Ms. Collins. See copies of Jayne Sloane's e-mail correspondence with Rachel Collins in November and December 1999 attached as Appendix D.

7. On or about December 7, 2009, the undersigned e-mailed Rachael Collins a Supplemental Declaration as described in Paragraph 2, together with a letter explaining the paperwork and requesting that Paula contact the undersigned or the undersigned's secretary Sally Aldahondo so that the Supplemental Declaration could be updated with Paula's current address or post office information and returned to her for signature. Also provided for Paula's signature was a Statement under 37 C.F.R. § 1.324(b)(2) in connection with the addition of Harry Saul Winchell as a co-inventor of US Pat. No. 6,503,490. The undersigned requested that Ms. Collins forward the e-mail and attachments to Paula. In an e-mail reply, Ms. Collins indicated that she would do so. See copies of the undersigned's e-mail correspondence with Rachel Collins in December 1999 (Appendix E) In addition to the referenced Supplemental Declaration and Statement, the December 7, 2009 e-mail from the undersigned included a copy of the subject application (including amendments filed in same) as well as a copy of US Patent. No. 6,503,490; copies of these attachments have not been included with this Statement.

8. In January, 2010, the undersigned was advised by Jayne Sloane that a signed Statement as described in Paragraph 7 had been returned to her, without a cover, in an envelope that did not have a return address. A copy of the signed Statement is provided in Appendix F. Notably, unlike the Supplemental Declaration, the Statement does not provide address or contact information for the person signing same.

Confirmation No.: 6621

9. The efforts detailed above have not resulted in the undersigned either being contacted by Paula Johnson or receiving a Supplemental Declaration for the subject application that has been signed by Paula Johnson.

10. It is respectfully submitted that the facts set forth above and evidence provided in the attached Appendices demonstrate that after diligent effort, Unilever has either been unable to contact Paula Johnson and/or that Paula Johnson is refusing to sign a Supplemental Declaration for the subject application.

11. E-mail copies provided in the attached Appendices were printed from messages and/or attachments sent or forwarded by or to the undersigned and to the best of the undersigned's knowledge and belief are true copies thereof. The date in the lower left corner of such documents is the printing date thereof.

Hi Sue,

I don't think we've met, but I was given your name by Sally Grimshaw as someone who may be able to help me with a correspondence address for our former employee Paula Johnson. In relation to a patent that Paula was named on when she worked for us, I need to send her some papers for her to sign. Is this something you can help me with?

Best regards,

Chris

Dear Paula:

You are a named inventor on the following issued patents/pending applications:

U.S. Serial No. 09/764,734
U.S. Patent No. 6,503,490

As a result of decision in an arbitration proceeding involving same, Unilever will be filing petitions/requests to include Harry Saul Winchell as a co-inventor. To effect this correction in the US, Unilever needs to submit paperwork that includes either re-executed declarations on which Dr. Winchell is named as a co-inventor (this is for the pending applications) or a statement from the inventors named on the issued patents indicating that they do not object to the addition of Dr. Winchell as co-inventor.

The relevant statements/declarations are attached, together with copies of the applications, amendments and patents that these statements/declarations refer to. I would ask that you review, sign where indicated and return same to me in the attached pre-paid mailer. **If the address on the declaration is incorrect, please indicate the correct address and initial at each place that has been corrected.** Should you have any questions or comments regarding this request, please do not hesitate to contact me at karen.klumas@unilever.com, or call me at 201-894-2332.

Thank you in advance for your co-operation.

Sincerely,

Hi Rachel,

I am hoping that you will be able to help me as I need to get in touch with Paula, I have patent papers that I need her to sign and my last address and telephone number

seem to be out of date. Do you have an address or phone number that I could contact her on. My address was 15 Hornby in Bromborough.

Thanks Jane

Hi Rachael,

I'm the US patent attorney who is handling a couple of patent cases that Paula is an inventor on. Let me say that I fully understand your being careful about passing out Paula's contact information. So that Paula understands why we are attempting to reach her, please allow me to explain.

As mentioned, Paula is an inventor on two patent cases (one issued, one pending) that, along with a few other cases, were involved in an arbitration proceeding with another company. As a result of the arbitration (now over) it was determined that Dr. Harry Saul Winchell (from the other company) should be named as an additional inventor on all of those cases. I have the task of preparing the US paperwork to add Dr. Winchell as an inventor. To effect this change in the US, for the issued patent I need to submit to the Patent Office paperwork that includes a statement from each of the inventors of record saying that they have no disagreement to adding Dr. Winchell as a co-inventor. For the pending application, the paperwork includes a supplemental declaration from each of the named inventors that includes Dr. Winchell as a co-inventor.

I believe that there were 10 plus inventors in the pool of the cases that were the subject of the arbitration, most of whom have left Unilever. We have been able to locate everyone but Paula. If you could forward this e-mail to her, I would be much obliged.

I'm attaching the documents that are being requested (the two word documents), together with a copy of pending patent application, amendments to date, and the issued patent, so that Paula may review and refresh her recollection. The documents were prepared using the information of record. Assuming that Paula is willing to sign the declaration and statement, if she can provide us with her married name and either her address or post office box number, my secretary Sally Aldahondo will update the documents and e-mail them back for her to print and sign. I can arrange for Jayne to provide a prepaid mailer for the return of the signed documents.

If Paula has any questions or wishes to contact me, my information is given below; Paula should feel free to call me "collect".

I thank you both for your assistance in this matter.

Sincerely,
Karen Klumas
